

**6th Air Quality Management (AQM) City Workshop of CAI-Asia China Network:  
World Bank Seminar on Integrated Management for Air Pollution Control in China**

Partner: CAI-Asia

With Support from Energy Foundation

6-7 December, 2010 Beijing, China

6 December, 2010 , Day 1 , Banquet Hall, Xiyuan Hotel		
TIME	TOPIC	SPEAKER
09:00-10:30	Registration	
10:30-11:00	Session I: Opening Ceremony <b>Chair : DG, FECO/MEP</b>	
10:30-10:45	Opening Remarks	Mr. Xu Qinghua, Director General, Department of International Cooperation, MEP
10:45-11:00	Opening Remarks	Mr. Klaus Rohland, Country Director for China, The World Bank
11:00-12:00	Session II: 12 <sup>th</sup> FYP on Air Pollution Control and Management in China <b>Chair: Mr. Xiao Xuezhong, Deputy Director General, FECO/MEP</b>	
11:00-11:15	Key Speech: Status and Outlook of pollution prevention during 12 <sup>th</sup> FYP in China	Mr. Li Xinmin, Director General, Depart. Of Pollution Control, MEP
11:15-11:30	Consideration and Key Areas of Planning for Air Pollution Control during the 12th FYP in China	Prof. Wang Jinnan, Vice President, Chief Engineer, Chinese Academy for Environmental Planning
11:30-11:45	Situation and Main Issues of Air Quality in China	Prof. Zhang Yuanhang, Director, College of Environmental Sciences and Engineering, Peking University
11:45-12:00	Air Pollution Control Management Framework for the 12th Five Year Plan.	Mr. Gong Demin, Division Chief, Depart. Of Pollution Control, MEP
12:00-12:20	Discussion	
12:30	Lunch	
6 December, 2010 , Day 1 , Banquet Hall, Xiyuan Hotel		
13:45-14:00	Session III : Brief introduction of completing city-level (questionnaire) <b>Chair: Wang Xin, Director, Division 1, FECO/MEP</b>	
13:45-14:00	Brief introduction of completing city-level questionnaire)	National Experts of the Project(Wang Shulan, Hu Min)
14:00-15:30	Session IV: Study on Integrated Management for Air Pollution Control in China <b>Chair : Mr. Zhao Lijian, Environment Management Program Officer, Energy Foundation Beijing, China</b>	
14:00-14:25	Introduction to the "Study on Integrated Management for Air Pollution Control in China"	Mr. Jostein Nygard, Sen. Env. Spec., WB
14:25-14:50	Situation of PM10(PM2.5) and Monitoring/ Enforcement Policies of PM10 and PM2.5 in the 12th FYP	Mr. Li Jianjun, Associate Professor, China National Environment Monitoring Center
14:50-15:10	Models for Managing PM Sources-- International Experiences	Mr. Trond Bohler, Senior Director, NILU
15:10-15:30	Sources Apportionment and Secondary Formation Particles(PM10 and PM2.5)	Prof. Hu Min, College of Environmental Sciences and Engineering, Beijing University
15:30-15:45	Coffee/Tea Break	
15:45-17:00	Session V : Draft Regulation for Integrated Management of Air Quality in Urban Areas <b>Chair: Mr. Wang Eyi, Depart. Of Pollution Control, MEP</b>	
15:45-16:15	Draft Regulation for Integrated Management of Air Quality in Urban Areas	Prof. Wang Shulan, Chinese Research Academy of Environmental Sciences

16:15-17:00	Comments from National Experts	Mr. Paul Procee, Senior Urban Environment Specialist, WB Beijing Office
17:00-17:30	Discussion	
17:30-18:00	Summary and Closure	
18:00	Dinner	
7 December, 2010 , Day 2 , Banquet Hall, Xiyuan Hotel		
08:30-09:30	Session VI : Draft Technical Guidelines for the Plan to Comply with Urban Quality Standards <b>Chair: Mr. Wang Eyi, Depart. Of Pollution Control, MEP</b>	
08:30-08:50	Introduction of Draft Guidelines for the Plan to Comply with Urban Quality Standards	Mr. Yan Gang, Associate Professor, Chinese Academy for Environmental Planning
08:50-09:20	Discussion	
09:20-09:30	Coffee/Tea Break	
09:30-10:50	Session VII : Case study on Urban Air Quality Control <b>Chair: Ms. Sophie Punte, Executive Director, CAI-Asia</b>	
09:30-09:45	Progress of Study on Air Quality Management in Urban of Jinan	Prof. Du Shiyong, President, Jinan Academy of Environmental Sciences
09:45-10:00	Status and Policies for Control of Particle Pollutants in Chengdu	Prof. Zhou Donglai, Vice President, Chengdu Academy of Environmental Sciences
10:00-10:15	Approach of Mechanism for Air Pollution Control and Management	Mr. Niu Xinguo, Deputy Director, Shijiazhuang Environmental Protection Bureau
10:15-10:30	Some findings from air pollution control work in 3 cities in Shanxi Province (Taiyuan, Linshi and Xiaoyi).	Mr. Zhang Baohui, Director, Shanxi Environmental Information Center
10:30-10:50	Discussion	
10:50-11:00	Comments	Mr. Trond Bohler, Senior Director, NILU
11:00-12:00	Session VIII : International perspectives on PM control in China <b>Chair: Mr. Carter J. Brandon, Environmental Coordinator, WB Beijing Office.</b>	
11:00-11:20	Recommendations to City AQM: Beyond CAMAT/Scorecard Tool	Ms. May Ajero, CAI-Asia AQ Program Manager
11:20-11:40	How to Transform Air Pollution Control Priorities into Specific Actions and measures?	Ms. Catherine Witherspoon, Consultant, Foundation of Climate
11:40-12:00	Forward looking fine PM and black carbon control	Mr. Vance Wagner, International Policy Adviser at VECC-MEP
12:00	Lunch	
7 December, 2010 , Day 2 , Banquet Hall, Xiyuan Hotel		
14:00-16:00	Session IX : Discussion ( All Participants ) Comply with Urban Quality Standards and Survey of Basic Information <b>Chair : Mr. Wang Eyi, Depart. Of Pollution Control, MEP</b>	
16:00-16:20	Summary and Closure	
17:30	Dinner
